Eleventh United Nations Conference on the Standardization of Geographical Names
New York, 8-17 August 2017
Item 6 of the provisional agenda*
Reports on the work of the United Nations Group of Experts on Geographical Names, its divisions, working groups and task teams since the Tenth Conference

Report of the Baltic Division of the United Nations Group of Experts on Geographical Names

Summary**

The report covers the period since the Tenth United Nations Conference on the Standardization of Geographical Names, held in 2012. There are five member countries of the Baltic Division of the United Nations Group of Experts on Geographical Names: Estonia, Latvia, Lithuania, Poland and the Russian Federation. The Russian Federation coordinated the activities of the Division in the period between the Tenth and Eleventh Conferences.

During the reporting period, three meetings were held in member countries of the Division. Experts from the Division participated in the Tenth Conference and in the twenty-seventy, twenty-eighth and twenty-ninth sessions of the Group of Experts. They participated in working group meetings and geographical names-related events held both during the Conference and the sessions of the Group of Experts and in the period between the Conferences and sessions.
